**ORDER**

The Court heard argument on pending discovery motions on August 10, 2006. The pending discovery motions involve numerous documents which Plaintiffs claim are privileged and for which Plaintiffs have prepared a privilege log. Pursuant to a motion by Defendants, the Court previously ordered Plaintiffs to prepare a representative sample of the documents that Plaintiffs claim are privileged for an *in camera* submission to the Court. The Court hereby orders Plaintiffs to submit those documents to the Court for *in camera* review.

At oral argument, counsel for Plaintiffs requested that the Court permit one of Plaintiffs' attorneys to present the documents and Plaintiffs' "explanation" for the documents to the Court *in camera*. Plaintiffs oral motion is denied. If the Court needs additional argument or explanation the matter will be set for additional hearing.

Dated this 11th day of August 2006.

  
Sam A. Joyner  
United States Magistrate Judge
